## 10th Annual Best Places to Work list

This is the 10th year that Virginia Business has compiled the Best Places to Work in Virginia list in collaboration with Pennsylvania-based Best Companies Group.

Nearly 200 companies applied for inclusion on the 2020 list. A hundred companies were chosen in three categories: small (15-99 U.S. employees); midsize (100-249); and large (250 or more).

Best Companies Group made its selections based on surveys conducted with the

companies and their employees.

Employee surveys benchmarked companies on a list of core values: leadership and planning; corporate culture and communication; role satisfaction; work environment; relationship with supervisor; training and benefits; pay; and overall engagement.

The 2020 Best Places list, divided by category, can be found on the following pages, along with profiles of the top-ranked companies in each group.
